Boyd Urges All Villagers To Turn Out

Important Meeting
Of Chamber Called
For Friday Evening

Palm Springs' business men today were asked by Florian G. Boyd, president of the Chamber of Commerce, to schedule Friday night's kickoff dinner of the Chamber's finance program as the "must" meeting of this week.

Charles Bayer, assistant to the president of the Los Angeles Chamber of Commerce will give the principal address, dealing with the place of the Chamber of Commerce in the community.

"November has been adopted as 'Chamber of Commerce month', and I want to urge all business men to join in this campaign upon which hinges the question of whether sufficient funds can be raised this year to insure the adequate operation of the Chamber of Commerce," Mr. Boyd said.

LETTERS OF INVITATION to attend the meeting have been mailed to business owners and operators of the Village. The dinner meeting will be held beginning at 6:30 p.m., in the Sombrero Room of the Desert Inn. Reservations must be telephoned to the Chamber of Commerce office, phones 6181 or 6111.

Declaring that the \$14,500 promotion and advertising program adopted by the special committee of the Chamber of Commerce must be raised if this vital work is to continue in addition to the normal operation of the Chamber of Commerce, Mr. Boyd urged attendance of all business men of the community.

"THE CHAMBER OF COMMERCE" is ready to launch on an intensive year's program highlighted by a nation-wide advertising and promotion campaign, a project to bring more conventions to Palm Springs, the issuance of badly-needed literature which is distributed throughout

The laziest guy ever born
Sits at the curb and toots his
horn.

It has taken a long time and a lot of shattered nerves but at last a state-wide drive to eliminate unnecessary noise on the part of the motoring public is under way.

You can—and may—get a ticket if you press the horn button needlessly. The motor vehicle code is specific on the point. . . . Horns are to be used as an audible signal only when such a signal is needed in passing. . . . When you sit at the curb and toot for someone in the office or house to come out you're not passing anything. . . . So don't toot. . . . Get out instead.

THE DRIVE to reduce needless noise also applies to the jalopies with devices to accentuate the noise of motors. . . . The state law banned "cut-outs" some time ago. . . . Now highway patrolmen and city police have been instructed to stop cars with gadgets on the exhaust pipe which are getting around the cut-out ban. . . . Now if they could put a muffler on motorbikes. . . . And do something to those people who think junior is so cute when he puts his pudgy little pink fist on the horn button and discovers it will make a noise. . . . I wouldn't want anything to happen to junior—he isn't supposed to know better. . . . But the other party—!!

UP AT THE FRANCES Stevens school Katherine Finch, Desert district superintendent, had her guard up. . . . Looking for trouble and prepared to cope with it. . . . She got word the other day that some Villager, with a misdirected sense of philanthropy was getting ready to descend on the school with 400 sticks of bubble gum. . . . She can envision what the already overcrowded school buildings will look like if those 400 items ever get by her vigilance. . . . "We have enough trouble with ordinary gum—but that

Legal Fight Looms Over El Mirador

If the city of Palm Springs fades completely out of the picture in the purchase of the former Torney general hospital property there is a strong possibility today that the property, especially that portion on which the old El Mirador hotel stands, will be tied up in litigation for a long time.

The litigation freezing the sale of the land and the old hotel it is said will be filed by Ralph LaCoe and Warren Pinney who have been ruled out by War Assets Administration as the former owners with a right of priority in the purchase of the property following that of the city.

That the suit will be filed against the government and the War Assets Administration in an effort to prove that LaCoe and Pinney are the former owners, was strongly indicated by a Hollywood legal firm representing both men.

At present the sale of all of Torney general hospital is frozen by the government until March 15, 1948 under senate concurrent resolution 31, in order to allow time for a hearing on the city's application for the property.

Amvets Will Play Host at Great Event

The whole town's talking and it all centers around the gay social event to which all Villagers are invited by the Palm Springs Post of Amvets when newly elected officers of that organization will be installed.

The event, scheduled at Charley Morrison's Stables tomorrow night, will see Rudy Vallee, Villager and popular star of radio and screen, acting as master of ceremonies.

ALSO PRESENT as the guests of honor will be Prentice Smith, California Department of Amvets and Bill O'Sullivan, Amvet state organizer and member of Los Angeles Mayor Fletcher Bowron's housing committee.

Honored too at the gay dinner-dance will be City Manager William E. Alworth and Mrs. Ethel Whitehorn, state Republican leader, both of whom will address the gathering.

COMMANDER Prentice Smith will administer the oath of office to the newly elected officers. They include Graham Dexter, local realtor who will step into the office of commander; Gene Johnson, another realtor who will take the oath as first vice commander, Rudy Salazar, landscape artist as second vice-commander and Grant Wood, adjutant.

Other officers include Stanley Schmidt as provost marshal, Bill Morrissey as chaplain, Joe Fuller, Bill Rashall, and Wilbur P. Davis as executive committee members.

Ward Copely will succeed his wife as the new finance officer of the organization.

THE PUBLIC invited to attend the ceremonies and the dinner-dance will see several new members of Amvets sworn into the organization by Prentice Smith. All of these members and those who have been members in the past will automatically become nationally chartered members of Amvets.

In addition to the dance music, nearly all of the local taverns have promised to have their entertainers present during the evening as a part of the show.

Charley Morrison and Hank Smith, the manager of The Stables promise the Amvets and their friends a meal they will never forget.

A HOT BUFFET DINNER will be served with the piece de resistance billed as the famous barbecued ribs and chicken.

Tickets to the affair can be obtained from any member of Amvets or any of the cocktail bars in the Village. In addition Pegi Scott, Amvet member and Village public stenographer has a supply of tickets on hand at her office, 111 E. Amado road, just off of Palm Canyon drive.

Sale of E, F and G bonds in Riverside county totalled \$291,658.25 according to word from Fred H. Johnson, treasury department director in the county. Total for the year to date is now \$4,424,118.25.

Three Firms To Unite on Tram Work

Industrial Leaders
In Village To Talk
Over Gigantic Task

Creation of a mammoth construction organization representing three companies and with work to start by no later than the middle of next summer on the giant Mt. San Jacinto Winter Park Tramway, was seen as a result of a conference held in Palm Springs last week.

Discussing the project here were Allen Roach, president of the Consolidated Steel company, Harvey Jordan, vice-president of the American Steel and Wire company, Cleveland, Ohio, and Gordon Bannerman, Superintendent of Engineering for the same concern with headquarters in New Haven, Conn.

THE THREE TOP executives had been in conference with Earl Coffman, president of the Mt. San Jacinto Winter Park Authority, V. W. Grubbs of Riverside and Henry Lockwood, member and attorney for the Authority, respectively.

Following an aerial inspection of the upper terminus of the tramway and a trip to the lower terminus in Chino canyon, Roach stated that the company he heads, American Steel and Wire, and Morrison-Knudson would combine in the construction of the tramway.

"IT LOOKS VERY MUCH like the three companies will combine in the organization of a construction crew for this project," declared Roach. "We expect this organization to be functioning here about the middle of the summer and the completion of the tramway within a year."

This statement was the first concrete assurance as to when work would begin and approximately when the project would be completed.

PRELIMINARY WORK around which a giant question mark presents itself is the sub-surface upon which the giant steel towers will stand. Sub-surface borings will have to be made and upon these findings rests the possible expenditure of a considerable amount of money.

"If we find that beneath the surface, solid rock capable of supporting the giant towers a lot of money, time and labor will be saved," declared Jordan. "Otherwise huge foundations of cement will have to be poured."

MORRISON-KNUDSON engineers and Bannerman during the summer of 1946 surveyed the tentative route the tramway will follow from the lower to the upper terminus.

Additional exploration work will cost considerable money but when completed by the three companies, will ultimately determine the eventual cost of constructing the tramway.

ORIGINALLY the state legislature placed a ceiling of \$3,000,000 for the construction of the lift based on a prewar cost of material and labor. During the last meeting of the state solons the ceiling was removed.

Earl Coffman expressed gratitude over the results of the meeting. He said an earlier meeting with Morrison-Knudson had brightened the picture considerably.

Keen Competition Marks Desert Sun's
Contest Between High School Students

The Village Vandals, captained by Don DuBose in the spirited campaign being conducted by two high school teams to bring in subscriptions to The Desert Sun, were leading the Tahquitz Twisters, Ann Welles, captain, by 3250 credit points, at the end of the first week of the campaign, K. K. Youngs, in charge of the battle royal between the two teams, said today.

Barney DeVoezan of the Vandals topped the list with a credit total of 9750 with Betty Wright of the same team, right behind Jackie Kingsbury, top solicitor for the Twisters, was third with a point total of 6500.

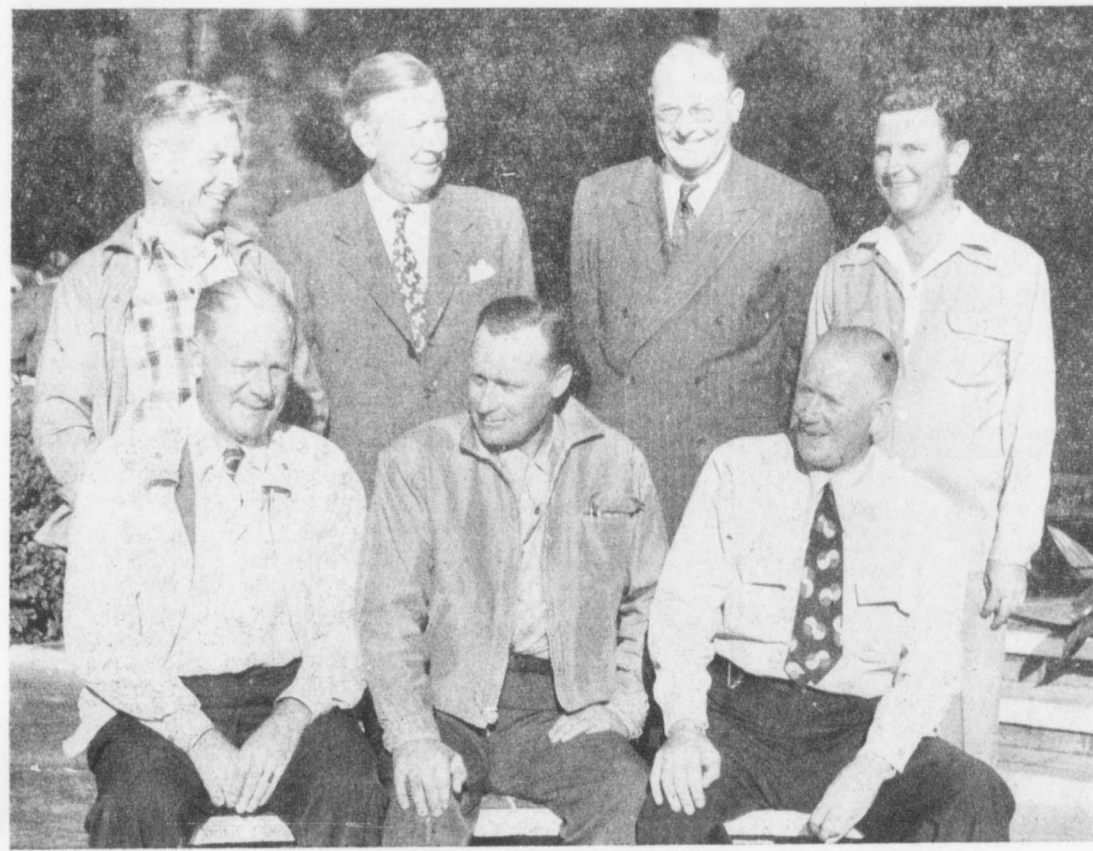

The campaign will continue throughout November with \$170 in prizes to be distributed by The Desert Sun besides commissions to the students.

Six-month and one-year subscriptions are being taken by the two teams, five girls and five boys on each. They are taking orders

for The Sun and bills will be sent later by the circulation office according to the orders.

Besides the cash prizes and commissions, dinners are awaiting the teams at the close of the contest. Both teams will dine together, but in front of members of the winning team will be set succulent steaks, before members of the losers—beans.

Interest in the contest is high among members of the two teams and competition keen. For while they all like beans—they all like steaks better.

PLAN FOR TRAM—Construction company heads and Tramway Authority officials talked over the big lift here last week. 5 Fires in 2 Days Cause \$3,600 Loss

A series of minor fires culminating in a serious blaze at the Montecito apartments on Mel avenue plagued the local fire department over the weekend.

Fire of unknown origin was discovered in the front apartment of the Montecito resulting in an alarm at 4:50 a.m. Monday morning. By the time firemen and equipment reached the scene, the entire interior was burning causing damage estimated at \$3,000 before fire fighters were able to extinguish the blaze.

THE WALLS of the apartment and all of its furnishings were either destroyed by flames or water soaked. Investigation to determine the cause of the fire is underway.

George B. Hibbard, 441 El Bosque, Laguna Beach, saved the fire department a "run." Discovering the back seat of his automobile on fire, Hibbard drove his car directly to the door of the fire department at 8:10 Sunday night where firemen easily extinguished the blaze. Damages amounted to \$50, it was reported.

Saturday morning at 8:45 fire equipment was rushed to the home of A. J. Watell, Joe Potent's Camp, where an overheated stove caused damage estimated at \$500. The walls and the ceiling of this dwelling were badly scorched.

A SHORT CIRCUIT in the electrical wiring at Universal Cleaner Saturday at 9 p.m., accounted for one of the fire alarms. Damages were slight.

Dr. William Gettner, Los Angeles, stepped out of Bullock's Department store in time to keep firemen from breaking the window of his automobile in order to get at a fire in the back seat of the vehicle. Damages amounted to \$50.

Requiem Mass Said
For War's Victims

Servicemen who fell on the field of battle in World War I, were remembered in two requiem masses held this morning at Our Lady of Solitude, Catholic church.

The first Mass took place at 7:30 a.m. and the second at 9 a.m. at which time members of the local Catholic Parish listened to the services conducted by Father Michael O'Connor.

Offices of the City Hall and the local branch of the Bank of America were closed today in observance of the legal holiday.

Capital Outlay Fund Benefits By Sales Tax

Revenue from the city's one per cent sales tax since it went into effect the latter half of April has amounted to \$20,232.60 including returns in October, according to figures just released by City Treasurer Robert Peterson.

Returns at the end of the first quarter of the fiscal year, July, August and September amounted to \$11,753.63. Receipts during October totalled \$8,478.97 reflecting increased activity in the Village.

Of the total collected \$26,163.89 has been transferred to the capital city improvement fund, representing 75 per cent of the take. Twenty-five per cent or \$8,721.63 was transferred to the city's general fund.

Receipts for the months of October, November and December, the second quarter of the fiscal year, which will be received by the city treasurer in January are expected to top all receipts to date.

Indian Lands

Villagers To Testify
In Fraud Investigation

C. H. Perdew, Indian agent here, Wally Waring and several members of the local Indian tribe will testify Wednesday at Long Beach in the investigation of an asserted Indian land deal involving three Long Beach residents.

J. S. Madill, W. G. Kloppling and Albert Chollette of Long Beach are being held for investigation of grand theft after a land deal involving local Indian land and said to total \$50,000.

The trio denied they were selling Indian lands and were only acting as agents for the tribesmen.

Besides Long Beach police, agents from the Corporate Securities board are investigating.

Assemblyman Philip L. Boyd will address a Chamber of Commerce luncheon at Elsinore tomorrow, speaking on state institutions.

Sale of 12 Buildings to Create Fund

First Use Will Be
To Retire Debts on
Veteran's Project

A magnificent Christmas "present" which may amount to more than \$75,000 for the Housing Authority of Palm Springs loomed as a definite probability today.

Most of the money, when and if received, will be used by the Authority to retire local indebtedness amounting to \$30,000, used in the construction of the Veteran's Housing project located on the city-owned Field Club grounds, according to Barney Hinkle, president of the Housing Authority.

THE MONEY, according to Hinkle will be derived from the sale of 12 Torney General Hospital buildings allotted to the Authority when the government froze so many of the buildings on the application for their use by the Housing Authority early this year.

The plan originally called for enough of the former Torney General Hospital building to provide apartments for 100 families of World War II veterans. Most of these apartments are now occupied with the balance being readied for occupancy by the first of the year.

THE FINANCING of the giant project amounted to \$300,000 with 90 per cent coming from state funds set aside for that purpose.

The balance, \$30,000 was raised by local subscription and it is this portion of the financing that may be retired when the 12 buildings are sold.

The amount of the Christmas present was set, ultra conservatively, at \$75,000. This is the lowest established figure for which a square foot, represented in individual buildings, sold for in the past.

HINKLE TOLD a Desert Sun reporter that the price per square foot for these buildings varied from \$1.75 to \$2.00. Each one of these buildings, 12 of them, covers 4,000 square feet.

Using the \$1.75 per square foot as the lowest possible price, the 12 buildings would then bring a cash price of \$84,000.

Lytle Newcomer, attorney for the Housing Authority is preparing legal steps to be followed in the sale of these buildings and their advertisement for sale appears in this issue of The Desert Sun.

"ANY MONEY LEFT over after the sale of these buildings," said Hinkle, "will probably be used by the Authority for improvement purposes of the present project."

Already, Hinkle declared, public school districts have made inquiries regarding the price of these 12 buildings.

"If some of these buildings are sold to public schools," said Hinkle, "without a doubt the Authority will reduce the price with the possibility existing that not more than \$50,000 to \$60,000 will be derived from their sale."

In any event Hinkle continued, "It will be a mighty nice Christmas present."

Mr. and Mrs. Charles Chamberlain of Palm Springs sailed last Friday from New Orleans aboard the SS Del Sud, luxury liner of the Delta Line on a 47-day cruise to Uruguay, Brazil and Argentina.

SPORTS COLYMNIST VINCENT FLAHERTY of the Los Angeles Examiner (Winchell said to put the "y" in), came to Palm Springs for The Stables' opening thinking he was covering a sports event. After reading about the occasion in his colym, one would think it WAS a sporting affair. Maybe it was. We'll leave that to the opinion of those who attended. Anyway, Mr. Vincent X. must have had a good time. And he didn't give too bad an impression of Palm Springs. We're thankful for all the "puffs" we get for The Village. Even Avak made a generous contribution.

But getting back to Mr. Flaherty. In last Sunday's Examiner, he did a piece on the coming battle between the fighting Irish of Notre Dame and the Trojans of Southern California that should have appeared on the editorial page. It could almost have run on the church page without bad taste. He points out that this USC team of 1947 has the spirit of the "Fighting Irish" of South Bend and that it's going to be quite a clash come December 6th. It seems that this year's Southern California team is an inspirational outfit on which representatives of all religious faiths are pulling together in a winning combination. Prayers before football games by the players has been the custom of several college teams. As Flaherty points out, the "Praying Colonels" of Center College started the practice many years ago in Harvard Stadium. While the Trojans of '47 don't do their praying in public, they seem just as devout.

All of which inspires our recent Palm Springs' visitor to observe: "It is gratifying to think that sports can produce a group of young men of all faiths and races—of Protestants, Jews and Catholics—who can band together in the close bonds of friendship and not break up—just because a group of Catholics of their number want to go to Mass before a football game. It is good to see that sports—in such a quiet show as this—can throw before you a golden example of Democracy. What a far cry it is from atheistic Russia! And what a vivid illustration—what a shining example it is of what men of varied creeds can do when they ALL PULL TOGETHER."

Well said, Mr. Flaherty (the name sounds pretty Irish) too and come back to see us in Palm Springs again sometime. Betcha two-to-one (Moscow mules, that is) that the Irish from South Bend win. . . . hoping I lose!

Watch Stolen

Burglar Busy While
Villager Out of Town

Joe Rios, 438 El Segundo, returning from a visit to Los Angeles at 1 a.m. Sunday, reported to police that his home had been entered by burglars who stole a \$50 watch.

The burglar gained entry by cutting a hole in the back door screen.

From Head to Toe

By BARBARA K. SCHILLY

SHOES GO TO NEW HEIGHTS. I should not be surprised to find such a statement in bold black headlines some morning while perusing the morning periodical. No... I should not be surprised at all considering the newsprint that has been devoted to the new lengths of skirts... for the news in shoes is almost as startling.

Fortunately, a woman is not going to be frowned upon if she does not follow the newest in pedary popularities (such as was the general hint in regard to dress design) but should she wish to make a complete rejuvenation in her closet shoes bag... the opportunity has arrived... shoes are radically different.

THE MOST NOTABLE and noticeable factor about the new shoes shown is the outright dramatic effect they produce... a result of the bold sweep of the lines... a general smooth sweep that is not interrupted by last year's (and years and years before that) bows, perforations, design cutouts, stitching and dodads in general which were often relied upon to give style and that extra touch to the toe.

Design alone is carrying through for this year's shoe... but this does not mean that the style is simple... just that the ornamentations and superfluous knick-knacks are completely eliminated in favor of straps with a swing... pumps with a flow of line.

BUT back to the glaring hypothetical headline: SHOES GO TO NEW HEIGHTS. Do take this literally for shoes are being raised quite a bit off ground level. High higher heels much more successfully complement long longer dresses than did the flat that was so popular last year.

STRAPPING GOOD NEWS FOR ANKLES would be the next headline in order for some of the most sensational news is what is being done with ankle straps. Often one, sometimes two and even three straps are shown horizontally binding the ankle. The heel of the shoe is either completely in or completely out... the middle of the road policy being completely abandoned for this year's revolutionary trend.

Another "Extra" worthy mention is the modern as tomorrow Flange style. Example: a plain pump with perhaps an extra piece cut from the same whole piece of shoe leather giving the appearance of clipped wings on each side of the heel. These additional pieces fall out of the do-dad and knick-knack category for the reason that they are not extra pieces tacked, sewed, or

buckled on... they are cut with the original shoe leather. Where-as a shoe instep used to always be smooth and uninterrupted in line... the new flange style would show an uneven line... perhaps cut down here... perhaps jutting out there.

IF THE BIGGEST NEWS is the newness itself... perhaps the best news is the return of the classic... although a classic never returns does it. I should say... the EMPHASIS of the classic. The opera pump is highly popular this season and true to this fall's fashion is usually worn minus bows or clips although jeweled clips for evening are the exception.

Sling pumps... Grecian sandals... platform soles... and what about these styles? They are still popular although not quite as right as last year. Anyway, it is headline news that is being discussed and one can hardly expect to see last year's news taking space on the front page.

SALE of BUILDINGS**

The Housing Authority of the City of Palm Springs, California, is offering twelve (12) buildings for sale for cash under the terms and conditions set forth herein. The buildings are located on the Torney General Hospital property in the City of Palm Springs, California. They are of single-story frame construction and are designated as Buildings Nos. 205, 206, 243, 245, 246, 247, 248, 265, 266, 267, 268 and 270. Ten (10) of the buildings contain approximately 4450 square feet each and two (2) contain approximately 3750 square feet each. Material and equipment have been removed from some of the buildings. The buildings are open to inspection to all prospective bidders. Appointments for inspection may be made by contacting Robert Bennett, 2058 East Ramon Road, Palm Springs, California, Telephone number, Palm Springs 2238. Any further information desired can be obtained at the office of the Housing Authority, care of Louise Peel, Executive Director, The Plaza, Palm Springs, California.

The procedure to be followed by all prospective bidders and the conditions governing the sale are hereinafter set forth:

1. The buildings are being sold "AS IS" and "WHERE IS" and must be removed from the property at the purchaser's expense and risk.

2. Bids may be made on one or more buildings. The number or numbers of the building or buildings bid upon must be designated in the bids with the amount bid for each.

3. Bids must be in writing, executed by the bidder and shall set forth the address of the bidder. Each bid must be accompanied by a certified or cashier's check for ten percent (10%) of the total amount bid. In the event the bid, or any part thereof, is not accepted, the deposit on the unaccepted portion will be returned to the bidder.

4. Bids must be sent to the Housing Authority of the City of Palm Springs, care of Louise Peel, Executive Director, The Plaza, Palm Springs, California, and all bids must be delivered to this address by 5 o'clock p. m. on December 1, 1947.

5. The Authority reserves the right to reject any bids submitted by returning the deposit accompanying same. If more than one building is bid upon by one bidder, the Authority may accept part of the bid and return the deposit on the unaccepted portion. Each bidder will be notified in writing of the action taken upon his bid.

6. Upon acceptance of a bid by the Housing Authority, the balance of the purchase price shall be due and owing to the Authority within fifteen (15) days after mailing of notice of acceptance. Upon payment of this balance, title to the building or buildings purchased will be conveyed to the bidder by the Authority. Buildings shall not be removed until the purchase price has been fully paid.

7. All buildings purchased must be removed from their present site by the purchasers before January 30, 1948.

Dated this 6th day of November, 1947.

Delano Heads Los Compadres

Busy Village Organization Elects Officials
And Maps Plans for Another Successful Season

Phil Delano will head the Los Compadres club for the coming year as result of the annual election held at the Fiesta House of the Desert Inn last Thursday night.

It was one of the most enthusiastic meetings in the club's long and active career with 70 members of the 75 enrolled present.

Other officers elected were George Strebe, vice-president; Jimmy Cooper, secretary; Harry Irvin, treasurer; Wal Spalding, Stella Davis and Joe Butler, directors.

Reports on the year's activity were given by retiring president, Wal Spalding. He pointed out the highlights of the highly successful year as the purchase of a building for a clubhouse, acquisition of a clubhouse site and the fourth annual Western Week, biggest and best and highly successful from an entertainment and financial standpoint.

President Delano will name committee chairmen for the various

W. H. Kidson Back for
Palm Springs Winter

W. H. Kidson, president of the Chicago board of trade arrived in the Village Friday night via Golden State Limited to spend another season in Palm Springs. His home is in Golf, Ill., a suburb of Chicago. It is his 14th season in Palm Springs.

Heard of the cute mail box the other day which was fashioned in super letter size, self addressed with stamp just like a real letter.

ous activities of the club this week.

Plans were outlined for another big year during the 1947-48 season.

Community Church Choir Has Merry Hard Times Party

Adult Choir of the Community church enjoyed a hard times party with the Halloween spirit prevailing. Each member, dressed his or her worst, came equipped with a coffee can, the price of admission, and which was later used to eat in.

As the guests arrived at the home of Mrs. Violet Fowler and Mrs. Faye Robinson, co-hostesses, they were blindfolded and led through a labyrinth of traps, clutched hands and other various thrilling sequences. After this, a dinner of stew, raw vegetables, cake, coffee and cider was had, in keeping with the hard times.

Pieces of crepe paper were passed around and each was told to make a hat stressing originality. Mrs. Lois Lux won first prize, which was an old cowbell. Following this, several games were played, and during the entertainment a fortune teller was on hand to add to the suspense and gaiety.

Mrs. Holly Visel was unanimously voted the best (or worst) dressed of the evening. With a pair of dirty old pants, a work shirt, old felt hat, a full beard and a rifle flung over her shoulder, she was not recognized for some time.

After the party was over, the group adjourned to the church for an hour of concentrated rehearsal.

Special guests of the evening were Mr. and Mrs. James H. Blackstone, Jr.

Gay Party for Junior Choir in Church Parlors

Junior Choristers and the Blue Nightingales of the Community church had their Halloween party in the form of a hard times affair. Great originality was shown in the costumes worn by the children.

Supper included hot dogs, fresh vegetables, doughnuts and apples. Following the supper was a community sing with the children singing all of the popular and juvenile songs which they had learned through a period of three years, accompanied by Lois Lux and directed by Holly Visel. Harry Hill and William Veith conducted the games and issued prizes, which the children thoroughly enjoyed. There were 40 children who participated in the gay affair.

Those assisting Mrs. Leona Markham and Mrs. Visel were Mrs. Lois Lux, Mrs. Jean Black-

Avak's Stay Near End

Immigration Department Denies Extension
Of Visitor's Visa Which Expired October 15

Avak, the Armenian mystic who traveled thousands of miles last May from his native country to Palm Springs to minister to the ailing son of a Villager, may soon retrace his steps to the Near East.

The United States Immigration and Naturalization service intimated last week-end that the faith healer must leave the country. They denied to extend his visitor's visa which expired Oct. 15.

THE HEALER returned to Los Angeles Friday after a swing around the country in a special Southern Pacific train, chartered by Dr. Clem Davies, Hollywood clergyman. Plans for a temple in Los Angeles have been abandoned his backers, Tom Kardashian, Los Angeles packer, and William Perumean, truck concern head, said Avak had told them.

In Armenian he said sadly: "The plans were in the heart but not in the head."

AVAK WAS FIRST brought to

stone, Mrs. Clara Veith, and Mrs. Virginia McDonald. The tables were beautifully decorated by Mrs. McDonald.

this country by Krikor Arkelian, prominent winter resident, to attend Vaughn Arkelian, whose long illness had baffled all doctors. Following a stay here which attracted thousands of ailing persons, Avak and his patient went into seclusion near Fresno where he could treat Vaughn Arkelian without the interruptions by the thousands of health seekers.

From Fresno during the summer came a report that his 10,000-mile aerial mission—he came here by airplane from Iran—was partially succeeding.

THEN HE WENT to Los Angeles under Kardashian-Perumean sponsorship and was seen by thousands at the Shrine auditorium where Dr. Davies conducted services. Following this came the round-the-nation junket by special train.

Application for an extension of their visitors' visas was made for Avak and themselves by Dr. Smbat Edhianian and George Sahagian who accompanied him

George Howard Back at Post at O'Donnell Club

George Howard, golf pro at the O'Donnell Golf club returned to the Village Friday and found himself in the midst of a busy whirl—"almost like the middle of the season" he said.

Howard spent the summer in Seattle, at the Broadmoor golf club. He said many of the northern golfers were planning to be down soon and that the annual Palm Springs Invitational tournament, scheduled for March 16, was already a live topic.

Donald E. Graham, a resident here for the past three winters, has joined the staff of the city building department as inspector.

Blaish, Burket's court and Myrtle L. Stilwell, Anaheim, reported that "clouters" had broken into their automobiles in quest of loot and were only successful in obtaining valuables from the automobile belonging to Mrs. Stilwell.

SHE REPORTED the loss of a wheel and tire from the luggage compartment of her automobile. The other two persons reported only that their cars were ransacked but nothing of value taken.

A. B. Crist, 1871 North Palm Canyon drive told police that his automobile had been stolen Saturday night.

Max Curtis Groom, Indio, was flagged to a stop by traffic Officer Howard Poe who cited him for traveling at an excessive speed down Palm Canyon drive.

AN ACCIDENT landed Harry Lee Burden, 6325 Long St., Los Angeles, in the toils of the law. His car was involved in a collision with one driven by Grover Inskeep, 330 West Arenas, and he was charged by police with operating a motor vehicle while under the influence of intoxicating liquor. Inskeep was treated at the Palm Springs Community hospital for minor injuries and released. The accident occurred just north of the city limits. Officers Ted Greene and Robert Perry investigated.

Harry Bercier was apprehended and lodged in the city jail charged with being too drunk to operate his light truck. Pedestrians opposite the police station stopped James F. Kelley, 42, from getting into his automobile and driving away with two of his small children as passengers, according to Sergeant Orest Johnson.

CALLED ACROSS the street by citizens, Sgt. Johnson returned Kelley and booked him on the charge of being too drunk to operate his automobile. Later the arrested man was released to the custody of his wife.

Doing the Village

with
Moya Henderson

November has certainly been a month of parties and celebrations and the month is far from over yet. The Carl Lykkes junkie to South Pasadena last week was to celebrate their thirtieth wedding anniversary on the 7th with the Ernest Suttons, Mrs. Lykkes' sister and brother-in-law.

Lucetta Lippman, Vera Nicholson and Juanita Crockett hosted a beautiful wedding shower for Josephine Sprague on Wednesday evening and that same evening was the occasion for a miscellaneous shower at Virginia Paul's home in honor of Babs Neel. On Friday of last week, Florence Lockett entertained at ten for Maude Pinney who has been in the Village visiting with the Will Lippmans. Young Shirley Lockett presided over the tea table for her mother. The Women's Club dinner-dance at the Tennis Club on Thursday was a gala affair. President Florence Murphy entertained at her Tahquitz Estates home for cocktails before the party. The Los Compadres met on Thursday evening for their annual election of officers and did a very fine job of it too.

THE AMERICAN LEGION Auxiliary card party held at the Desert Inn on Tuesday afternoon was a big success with over two hundred in attendance. During the afternoon a raffle was held for a beautiful painting donated to the organization by Paul Grimm. Proceeds from the party will go to furnish the Auxiliary's room in the American Legion building now under construction. Good to see Dorothy Varnum Dorothy in town last week. She reports that Beth and Ole Chase, old timers here, are now at Klamath Falls. Mrs. John Kendrick Bangs of Santa Fe, New Mexico, is back in the Village for the season after an absence of several years.

Marie Belyea, who keeps herself busy between Idyllwild and Palm Springs, is now off to San Francisco for the realtors con-

This Is Now

No Galley Slaving For Theft of Food

A modern Jean Val Jean can thank his lucky stars that he isn't living in the days of Victor Hugo and his famous Les Miserables. James Clieo did not break a bakery store window to steal a loaf of bread in order to feed his sister's hungry children like Jean Val Jean did.

He pleaded guilty, however, to a charge of petty theft before Judge Eugene E. Theriault for attempting to steal a cube steak and a hunk of cheese from a local market.

For the loaf of bread Jean Val Jean stole as written in Hugo's book of 100 years ago, he served back-breaking toil as a galley slave aboard a French prison ship.

By comparison the sentence meted out to Clieo was as mild as "calico-tea" served to members of an old fashioned sewing circle. He was fined \$100 with \$75 of the sentence suspended provided he keeps out of trouble for two years.

Vallee Speaks

Noted Entertainer Tries Out New Show

By HAL DAVIS
I had the privilege of sitting next to Rudy Vallee last Thursday night at the KCMJ microphone while he filled the desert air with a new and fascinating Vallee.

Stepping out of his role as a singer Vallee put on a show that brought a deluge of telephone calls and letters of congratulations. It is now, Vallee the commentator.

For with this new show, which is going on a major network, Vallee speaks about show business and who could be better qualified to speak about this fascinating profession than Vallee.

The show revolves around the troubles show people have and it is to be used to counteract bad publicity. As he said it is a controversial program and will be on the fire all the time. But it will be so different it is bound to be outstanding and with the magic name Vallee connected with this show a good rating it will have.

and bubble, too!" . . . She says and grows pale at the thought.

THIS IS National Education Week . . . Time to get over the idea that what we don't know won't hurt us . . . But this education idea can be carried too far . . .

In the public prints last week I read where an English professor says he can teach dogs to talk . . . In fact, he has one which says "Out, please" instead of whining and scratching the varnish from the door . . . But that idea has sad possibilities . . .

You wouldn't want women and children to hear what two strange dogs are calling each other when they circle around, stiff-legged . . . And although you keep your dog chained, the mail carrier, meter readers and Fuller brush man might sue you for what your dog called them . . . On the other hand, when two dogs were exchanging compliments, they'd be telling the truth and not saying anything of which their partner in repartee should be ashamed.

THERE seems to be a lot of head colds in town . . . Brought in from the outside, of course . . . Heard Horace Heidt's brother, Gesund, mentioned several times yesterday . . . Charley St. George tells of a slicker on an American

Legion convention-bound train who passed around a collection box and gathered in about fifty bucks for the Unknown Soldier's widow before someone thought it through . . . Dick Joy, speaking of a song for Palm Springs, told me that Pat McGeehan, well known radio figure, was visiting on the desert the other day and suggested "I'm Gonna Look Into La Quinta" as a good title for a song . . . There's a place down the desert a piece called "Squeaky Springs" . . . I ruminated for two miles on the marvels of the desert which could produce water in such a barren spot until Mrs. G asked me if it had occurred to me they might be referring to automobile springs.

SEVERAL YEARS ago some efficiency expert discovered the value of certain colors in speeding up offices and factory output . . . How some shades ended fatigue and made for happier workers with bigger and better output . . . Now it's music . . . Certain kinds of melodies soothe jangled nerves, ease strain and get more done with less effort

. . . J. P. Seeburg, winter visitor and manufacturer of commercial record players, told me that his concern is tooling for the manufacture of players which will go through a stack of 100 records then turn them over and play the other 100 sides . . . 200 numbers in all. Big factories and offices want them . . . And metropolitan stores . . . Psychologists say that certain types of music will make work easier in factories and make people want to buy in stores . . . In the stores a cashier will control the music and regulate the buying from a 3-4 tempo to eight to the bar . . . If we ever have one here in The Sun office I'm going to play "A Good Man is Hard to Find" once an hour on the hour . . . And the boss will probably put on "Farewell Blues."

STARTING with this issue, I am opening a new department . . . Apt smiles for every occasion . . . The first is: "Quicker than a Palm Springs sunset" . . . It is also the last . . . Thirty years ago today the war that was to end all wars, ended . . . Huh.

Returns To Find Home Raided

Mrs. Rose Dunbar, 535 Calle Santa Rosa, returning from a visit out of the city, reported to police that her home had been forcibly entered by burglars sometime between November 2 and her return November 7.
Beyond some bedding which had been stolen by the burglar who entered by breaking down the rear door, nothing else was missing, police reported Mrs. Dunbar said.

Housing Project Residents Enter Contest for Name

Commissioners of the housing project on East Ramon road, between the Field Club plant and the high school, want a distinctive name for that community. Bob Bennett, manager, said last week. So they put up a \$25 prize for the best name submitted on or before Nov. 25. The contest is open only to residents of the project of which there are now 75 families with 25 more to move in soon. Persons interested in the operation and maintenance of the project are not eligible. If two or more hit on the winning slogan, the prize will be divided.

The commission headed by Barney Hinkle, chairman, Harold West, secretary, and Phil Delano, Stanley Rosin and Florian Boyd will act as judges. Louise Peel is executive director of the project, and Bennett is manager.

Slogans should be submitted to Bennett before the Nov. 25 deadline.

The housing project for veterans is operated under the housing authority appointed by city council and is on Field Club grounds just east of the fenced-in portion and west of the high school.

Action on Appeal For Street Work Pledged by Easley

By C. S. COBB

James Easley, new county supervisor, attended the directors' meeting prior to the regular meeting of the chamber of commerce Tuesday night Nov. 4. The main topic of conversation was "roads" as Mr. Easley had come in response to a letter sent to him by the chamber of commerce in the name of the road committee of Cathedral City. Mr. Easley assured the group that he would see that everything possible was done for this district.

Eugene Smith, resident state fireman at the new firehall, was introduced by Fire Commissioner Greener and gave a pre-view of the new fire truck, an International ten-wheel drive with an 850-gallon water supply tank pumped at 250 gallons per minute. It is to arrive some time in December at which time a program will be arranged for the dedication of the hall. L. C. Lewis, chairman of the finance committee for the fire department made a brief explanation of the payment plan for the hall.

Bill Hillery requested that a new committee be formed to represent Cathedral City and to attend the county planning commission meetings on proposed building and zoning ordinances which affects our future development.

Mike Gordon called attention to the serious conditions arising from rubbish dumping at the point just east of the town, laying some of the blame on townspeople.

The state highway department has agreed to help clean it up and Gordon, through the co-operation of the fire department, plans to fence and post notices.

It was with deep regret that the members heard a letter of resignation read from their only woman director, Mrs. Ella Dorn. Mrs. Dorn has served the community faithfully as membership chairman. Her resignation has been forced by a recent illness.

It was voted that there will be a director's meeting the third Tuesday of every month.

Adult Classes Are Under Way

The adult education classes in silverwork, leathercraft and ceramics started this week at the library building on a street under the direction of Andy Lester. A complete report of the first class will be given in next Tuesday's issue of The Desert Sun.

Cutting Bee Held to Prepare for Fair

A cutting bee was held Thursday at the De Luxe Trailer Court recreation hall and twelve ladies worked hard to get ready for the fair. There will be another cutting bee this coming Thursday from 2 to 4 p.m. in the new library building next to the Town Hall. Bring scissors, needle and thread this time, is the advice of the preparation chairman, Iva Moon. She reminded all that Bessie Kelley had set a goal of \$1000 as the amount to be raised at the fair.

Church Service Nursery Project Is Announced

There will be a baby nursery during church hours to permit young parents to attend the services, was the announcement made Friday afternoon at the home of Edna Laas when the woman's auxiliary of the church met for the monthly sewing bee. The nursery will be at Rev. Wartes' home, Van Fleet and A streets and will be in charge of various women who have volunteered their services. The auxiliary meeting was called to order by President Edna Peterson who read letters from grateful recipients of the 23 boxes of clothes sent to the Indians near Sells, Arizona, last summer by the auxiliary.

Jack and Mary Wartes were welcomed to the community during the social hour and "Jack," as he requested he be called, gave a report of the church and manse buildings which will soon be put on the church lot on Cathedral Canyon Drive.

Cathedral City Personals

By DOROTHY CRAWFORD

Frank Russell, president of the chamber of commerce, celebrated his birthday Sunday with a large family gathering and turkey dinner at his mountain home in Crestline.

A post card from Jane Delfaro who is visiting her sisters in the north of England reads: "How's the heat these days? We could use a little of your sunshine. Had a nice trip across and am having a nice time. Good to see them all and so much to talk about and I will talk too when I get back to Cathedral."

An eight pound son was born on Oct. 31, to Mr. and Mrs. Gabe Potter at Loma Linda hospital. The nickname of "Spook" for Hallowe'en is a cinch, said his father who is associated with his brother at the Cathedral grocery.

A successful Hallowe'en party planned by Claude and Edna Cobb was given at the Crawford home at Desert Cove ranch a week ago. Wiener bake, pot luck supper, games and prizes with a shot-gun mock wedding thrown in to celebrate the 40th wedding anniversary of Dr. and Mrs. L. Meeker, Raymond Hatton officiating and Slim Larrison the sheriff, gave everybody the time of their lives.

Village Schools Represented at Beach Session

Seamus Nunan, audio-visual co-ordinator for the Desert School district, his wife, Mrs. Frances Nunan, co-ordinator for the Cahuilla school and John Nichols, principal of the Desert Hot Springs school, were in Long Beach last week-end to attend a conference on Audio-Visual education held there Friday night and Saturday.

All local school buildings are equipped for audio-visual education this year with the installation of projectors.

Mr. Nunan of the Nellie N. Coffman junior high staff, is in charge for the district.

Red Cross Will Meet Tomorrow To Hear Reports

Annual meeting of the membership of the Palm Springs branch of the Riverside county chapter, American Red Cross, will be held tomorrow at the Health Center, 299 East Amado road.

The meeting is scheduled for 10 a. m. Reports of committee heads and plans for the new season will be discussed.

Chairman Ray Cree will preside at the session.

Newspaper Man Guest At Whitehorn Home

Monte Richardson, one of the oldest employees in the William Randolph Hearst newspaper organization, in time of service, was a visitor at the home of Mr. and Mrs. James Whitehorn Monday. Mr. Richardson, in charge of the mechanical departments, of all Hearst papers on the Pacific coast, was en route to Houston, Texas, to inspect the plant of a new publication bought by the Hearst chain.

"Hurricane" To Speak To Village Lions

Tommy Tucker, better known as "The Hurricane," because of his antics as a sound effects man in radio and the movies, will entertain the Lions Club this Thursday during its weekly luncheon at the Desert Inn. Dr. Ernest Oertel will introduce the speaker.

Federation Work Told Club Women At Cathedral City

Sixty attended the opening meeting of the Cathedral City Woman's Club at the Totem Pole cafe last Wednesday. Mrs. Bessie Kelley, president, presided and introduced the speaker, Mrs. Scott J. Campbell, federation extension chairman from Los Angeles for the Woman's Clubs of Southern California.

Mrs. Scott's inspiring talk gave a vision of the wide constructive work being accomplished through concerted action of three million women, working through 50 state federations, 17,000 clubs, nine departments and 26 standing committees. The general federation plays a significant role as a molder of public opinion in the United States, each state federation is autonomous and each club may work out its own program, paying but 55 cents per capita a year to belong to this group of women. Attendance at the local, state and national conventions and the reporting on the work done in this community by the women is not compulsory but is a privilege which the clubs strive to achieve.

Mrs. Campbell was lavish in her praise of Cathedral City, telling the group that what she had learned of their work at the board meeting the previous night convinced her that when the state federation of directors meet in January they would accept this group gladly into the organization.

An afghan crocheted by Mrs. Mitzie Greener, and a ring quilt pieced by Mrs. Beatrice Holm were displayed as the prizes to be offered as the Christmas fair Dec. 6.

School Club Called To Session Thursday

The School club, which operates as a P.T.A. for the district, will meet Thursday from 2 to 4 p.m. at the school house for its monthly meeting. All interested residents are invited to be present.

Results Expected from Conference on Roads

James Wolseth, chairman of the road committee announced that James Easley, county supervisor, and Carl Stallard, road superintendent, met with him and his committee last Friday and went over the roads of Cathedral City. Equipment is being moved in landscaping, paving and filling of local roads will proceed at an unprecedented pace he predicts.

Congress has picked a bad time to cut off American relief to foreign countries. If we were right in the first place in helping people to help themselves, this is certainly no time to stop.—Warren P. Austin, U. S. delegate to United Nations.

From Page One—MORE ABOUT Boyd Urges...

the country, and a stepped-up community service plan covering the many activities of the Chamber of Commerce," the president said.

"But all of these take money. And all of them have an important, direct bearing on every business in Palm Springs.

"WE MUST KNOW now whether the community wishes the Chamber of Commerce to undertake these projects, or be handicapped throughout the season by insufficiency of funds. Only the business people can answer that question, and that is the reason why we urge all civic-minded business men and women to attend this kickoff dinner," he said.

An added feature of the program of the evening will be an outline of the advertising and promotion campaign drafted by a special committee headed by Oliver Jaynes, publisher of the Desert Sun. It provides for a far-reaching photographic promotion project, issuance of new brochures on Palm Springs, giving assistance to the All-Year Club of Southern California, placing of Palm Springs pictures in window displays in principal stores of the country, and the issuance of consistent publicity about Palm Springs to newspapers, magazines and trade periodicals.

Those countries which prostituted womanhood to erect military machines have already been visited by the wrath of God. They should be an example to all civilized nations in the future.—Senator J. Howard McGrath, Rhode Island Democrat.

The world's ancient water animals learned to live on land while searching for more water.

McDonald Back With His Magic

J. W. McDonald, popular magician, is back in Palm Springs, at the Desert Inn, after an absence of four years. This man of magic is a familiar sight to the old timers in Palm Springs, having entertained the Desert Inn guests, Racquet Club, El Mirador hotel, Tennis Club, Smoke Tree Ranch, Deep Well Ranch and the desert society for four seasons.

His magic is of a type that seems never to grow old. He works with the audience at arm's length and shows you almost just how every trick is done.

Mrs. Florence Shelley, the social director at the Desert Inn, arranged for his first performance of the season last Sunday evening. It was a delightful and an amazing performance, and much enjoyed by all.

Villager to Speak, Show Desert Life Film at Riverside

Moving pictures of desert birds, representing the patient research and constant observation of William Jupe, Palm Springs naturalist, will be shown in the Riverside College Auditorium at 8 p.m., Thursday.

Arrangements for the appearance of Jupe, who will also lecture, has been made by Edmund C. Jaeger of the college faculty. Jaeger, himself a noted authority on desert flora and fauna and author of several books in the field, observes that Jupe has uncovered many amazing facts unknown by ornithologists.

Business Picking Up, Police Chief's Report Indicates

Business is picking up in the police department.

In his monthly report, on file at the office of City Manager W. E. Alworth, Chief of Police A. G. Kettmann reported the investigation of 17 felony complaints in October and four felony arrests.

Misdemeanor arrests during the month totalled 173 with 116 traffic citations heading the list and 28 drunk arrests coming in second. In all, 486 complaints were investigated.

Five traffic accidents, two of which involved injuries, were investigated.

Welfare Group Issues Appeal

Bedding, household linens and clothing are needed to bring the stock at the House of Friendly Service to its capacity according to a statement of its sponsors, the Welfare and Friendly Aid association, this week.

Anyone wishing to donate clean articles to the House is urged to contact Mrs. Madge Holderman at Health Center, 2195.

Circus Association To Stage Annual Meeting Nov. 14

Signaling the start on actual arrangements for the 1948 edition of the Desert Circus, the annual meeting of the Desert Circus Association today was scheduled by Frank Bennett, president, for noon Friday, November 14, at the Desert Inn.

Chief items of business will be the election of directors, election of officers for the 1947-48 season, adoption of dates for next spring's show and the making of other plans for the event.

RECOMMENDATIONS drafted recently by the executive committee of the Circus covering dates of the 1948 event, the employing of a business manager and a proposed schedule of activities in the four-day program will be submitted to the incoming directors.

All members of the association are eligible to attend the annual meeting. Announcements of the session are being mailed from the Circus headquarters office in the Chamber of Commerce. The memberships were set up two years ago when the association was incorporated and individual memberships taken out by Palm Springs residents at the rate of \$100 each. Members are entitled to first choice on admission tickets to the Circus events.

Member rolls of the association now carry 120 names.

The Desert Sun—

Society is not a democracy or free if law-abiding citizens live in fear of being denied the right to work.—Secretary of State Marshall.

Scientists, during the rubber- short war years, attempted to find a substitute in such things as golden rod and the so-called Russian dandelion.

NEW QUARTERS

SINCE OPENING IN OCTOBER OF 1944 THE BUSINESS OF THE CREDIT BUREAU OF PALM SPRINGS HAS SHOWN A STEADY GROWTH IN GIVING BOTH THE PUBLIC AND THE SUBSCRIBERS IN THE COACHELLA VALLEY DEPENDABLE CREDIT SERVICE.

From a part time load during 1944-45, inquiries have increased so that we now have two full time operators and one part time. The files have been segregated into a Palm Springs and Indio bureau. A collection service has been added.

THE BUREAU IS ONE OF THIRTEEN HUNDRED BUREAUS IN THE UNITED STATES AND CANADA ASSOCIATED TOGETHER FOR THE BENEFIT OF CREDIT SEEKERS AND CREDIT GRANTERS.

The individual is benefited by having a confidential source to to which he can refer when he needs to establish his responsibility.

The credit granter is benefited by having a means of securing reliable information for the development of his business.

The new office is convenient and adequate. It is staffed as competently and equipped as completely for your needs as any member bureau of the ASSOCIATED CREDIT BUREAUS OF AMERICA.

Extravaganza in Preparation

High School Cast To Present "Rio Rico"
At Plaza Theatre in February; Work Begun

By RUTHANN HEMMLAS

On Feb. 6, "Rio Rico" will be staged at the Plaza Theatre for old and young. This marvelous extravaganza will be directed by Alexander Hammond, teacher of chorus and dramatics. Music for "Rio Rico" was written by Don Wilson who must have been listening to the Hit Parade when composing the score, for the music compares favorably with the Hit Parade songs.

Mr. Hammond read over 100 plays before choosing "Rio Rico", but back in the mind of Wynne Hammond, assistant extraordinaire, "Rio Rico" led all the rest.

HERE IS A BRIEF summary of the opera: Lewis Margon, wealthy financier, backed an expedition to Cocos Island for his daughter, Joan, on the yacht "Southern Cross". Professor Molecule, who also went along on the expedition, invented a device that detected buried treasures. So starts a search for the Moon Gold loot.

Imagine the consternation when our explorers did not find the loot, but a cave of sleeping mutineers. Having drunk deeply from island springs, they have been in a trance for two centuries. Magic nerve pills, invented by Professor Molecule, revive the mutineers. When Prof. Mole-

cule is made King of the mutineers, he is really in his glory. Everything goes along smoothly until the mutineers discover that their treasure chest is empty. Walking the plank will be the punishment for the young people unless they return the treasure. Prof. Molecule, trying to entertain the mutineers, buries trinkets for the mutineers to dig up. Aunt Julia Margon, another passenger on the voyage, who teaches ballet dancing and Clara, who teaches English, also try to entertain the mutineers.

THE PASSENGERS try to broadcast aid but that is in vain. Just as a tragic outcome seems inevitable, a number of surprising events occur in rapid succession. But this you must see for yourself. . . . The two objectives of staging this opera are to raise funds for the Student Body to entertain the townspeople. Everyone will have a chance to try out after the Christmas vacation. A committee of teachers will judge the try-outs. There will also be assistant student directors, assistant stage managers.

Get your voices in tune, everyone, and turn out for try-outs after Christmas vacation. Who knows, you may have Jeanette McDonald or a Nelson Eddy among us!

November 28 Date For Zaniest Day on School's Calendar

One of the zaniest events on the Palm Springs High School's calendar, Sadie Hawkins Day, sponsored by the Junior class, will be celebrated at school Friday, November 28.

In the true tradition of the Lil' Abner comic strip, the well-known custom of gals pursuing the guys will be revived.

There will be the usual tacky costumes and the unusual bashful boys, and to conclude the event, victorious Daisy Mae will drag her helpless captive to the evening dance. Here fun and frolic, to the beat of the Palm Swingers, will be for all.

The Eye

By MORIE AITKEN

Did you see the faces drop and hear the sighs of relief when the report cards were handed out last Friday. It was pathetic.

By the way, why hasn't Henson taken off his funny face? Hal-lowe'en has been over for a week.

What does that gleam in Doro's eyes mean? It might be that there are three new girls in Palm Springs High School and that Doro is getting a sight on one (or more) of them. Well, girls, don't despair, you may be saved yet.

ARE YOU WONDERING, TOO? We all are; this new guy Bill Styers has a mysterious power. We are all stumped to see how he does it. His powers are so magnetic that girls, cute ones too, come as far as El Monte. Hey! Bill, how about that formula.

Did you hear Dora T. say that she wishes that she had a photographic mind? I believe and I know that you will agree, that she should get any old mind first and then worry about a trade-in.

WE ALL SAW Brownie Browne being stopped by the motorcycle cop last week. Well, just for curiosity this reporter asked what the trouble was. Her answer was—"Oh! I always wanted to be stopped by a policeman, so I just tried to make him chase me when I saw him." This may be what she believes but the other passengers in the car said that she was shaking in her shoes and that she didn't know that there was a motorcop in the whole town. Come on, Brownie, own up, will you?

K. K. was also stopped by this cop. The officer promptly stated that he was doing 65 m.p.h. in a 45 m.p.h. zone. K. K. was utterly insulted because of this accusation and told the officer that "I was not doing anything of the sort, I was doing 75 m.p.h. if I was doing a mile, and so there!" The officer was dumbfounded at this denial, and you know your-

Veteran's Talk at Assembly Enjoyed By H. S. Students

Veteran Ted Parkinson, former U. S. Army sergeant, who spent two years in India and Burma during World War II, brought an unusual story of these Asiatic countries to Palm Springs High School in an assembly, Monday morning, November 3. This was the second professional entertainment bill sent by the National Assemblies Programs this term.

Parkinson described vividly the customs and people of this vast and densely populated land and added a surprisingly good wit and humor to keep the audience on the light-hearted side.

Coni Tilghman and Ann Wells posed demurely in the native Mohammedan costume as Parkinson explained the clothing in contrast with other parts of the land.

He held the attention of the group as he told of interesting experiences and adventures he encountered in the depths of the Asiatic world.

self that he couldn't give out a ticket (Ed. Note. Oh, couldn't he?). K. K. wasn't going 65 m.p.h. and he proved it.

DREAM RESORT FOR SALE

A world traveler searched the entire continent of North America to find the most perfect and beautiful setting for his Shangri-La resort. After many years, he found the perfect setting in a California spot where nature with her beautiful handiwork put placid lakes and flowing rivers cheek full of fighting fish, and huge woods in the background filled with game. It is a spot where a discriminating man could find the ultimate in relaxation and spend many happy hours. This world traveler bought the property and built 68 beautiful, picturesque apt., a swimming pool, huge dining room and every building for the convenience and comfort of his successful clientele which comes back every year and spends plenty of money. There are 1600 heavenly acres of ground in the property and these control 500 square miles of virgin beauty, hundreds of thousands of feet of choice oak and knotty pine timber. The property includes a mill, a 9-room home, late trucks and everything to make life complete. The property is now appraised conservatively at \$275,000, but the owner is forced to dispose of it quickly due to unforeseen circumstances, and we have scaled his price down to \$185,000, which is a real sacrifice. \$50,000 down will handle. For the fortunate person who buys this, it is literally a gold mine. Here's a Fortune for the right operator. Lose no time investigating this opportunity!

P.S. If you should prefer a Motor Court, how does this one sound to you? 70 units, doing \$60,000 a year gross. Ideally located in Northern California. \$20,000 down will handle this deal. For further information on these and other splendid buys, wire, phone or write to

Woman's Club in Spotlight As Season Opens With First Meeting and Dinner Dance

The Woman's club of Palm Springs was in the spotlight this week with two events that each gathered together around two hundred prominent Villagers. On Monday evening their opening meeting of the season was held, followed on Thursday by their annual dinner dance.

Mrs. Lockett Is Hostess at Charming Tea

Friday afternoon a lovely tea was given by Mrs. Donald Lockett in her home for twenty of her village friends. Mrs. Lockett had just returned from a trip to the east with her family, and will leave again, this time for San Francisco, at the end of this week.

Guests enjoying tea and tiny sandwiches were Mesdames Merrill Crockett, Gordon Nicholson, Fay Brainard, William Lippman, Josephine Sprague, Jack Williams, Frank Cutler, Harriet Henderson, Frank Camp, and Carl Lykken.

Also Mesdames Gertrude Schlosser, Harrison Leussler, Francis Crocker, Ralph Shelley, Harry Harper, Harold Behneman, Guy Pinney and Henry Lockwood of Los Angeles, and James Lakin and Robert Cutler of Portland.

Smoke Tree Ranch Riders Galloping Again

In past seasons one of the traditions of Smoke Tree Ranch has been the picnic rides which are held there for the guests and colonists. Last week sixty riders went to Andreas canyon on the first of these picnics to be held this year. On hand to add to the fun and merriment of the happy equestrians was Johnny Boyle, singing and playing his western songs. These rides are to be a regular part of the life at Smoke Tree throughout the season.

Prominent L. A. Couples Guests Of Whitehorns

Mr. and Mrs. James Whitehorn were hosts over the week-end to Mr. and Mrs. Edward Wayfarth and Mr. and Mrs. Nelson Saunders of Los Angeles.

The Whitehorns spent the past week in Los Angeles and brought their guests out with them. Mrs. Saunders is chairman of the West Los Angeles Pro-Americans.

The Whitehorns returned to Los Angeles again yesterday to spend the week.

Word Bethell Paintings Shown

Attracting much attention at the Desert Inn this week is an exhibition of paintings by Word Bethell, well known desert artist and illustrator now a resident of Redlands.

The display will be shown all during the week at the Inn.

Mr. and Mrs. Robert Westbrook, socially prominent in Riverside, were visitors in Palm Springs last week-end, calling on friends here.

Thursday was an evening full of fun and surprises for the members and their guests who assembled in formal attire at the Tennis Club. Following a delicious dinner served by the Tennis Club staff, came the surprise of the evening—an hour of entertainment contributed by the various night spots of the town, a gracious gesture to this active group of women headed by Mrs. Harold Murphy, president.

Rudy Vallee, acting as the master of ceremonies introduced Connie Barleau of the Dunes, who sang a couple of her very cute songs; Julie Mitchum, from Mr. Dee's, who also sang a few selections; Don Hornsby, up from the Circus Room at the Chi-Chi, who sang, talked, played the piano; and last but not least, Felix and Leo, Doll House entertainers.

Contributing to the dancing pleasure of the guests was Ray Whittaker and his orchestra who outdid themselves in making the evening a merry one.

In the middle of the evening, turkeys were given away with a very attractive pair of twins, Olivia and Rosemary Russo, officiating. The birds went to Mrs. Frank Winterton, Mrs. Harry Plymire, and Mrs. William Malouf; the latter gave her winning number to Mrs. Murphy whose sincere interest and hard work helped make the night a memorable one for all those attending.

PRECEDING the Woman's Club dance Mr. and Mrs. Harold Murphy entertained a large group of their Village and out-of-town friends for cocktails in their home.

Mr. and Mrs. William Malouf also invited a small group of friends in for cocktails the same evening.

Dave Laytons Visiting Village

Mr. and Mrs. Dave Layton, former owners of the Wonder Date Garden, now residing in San Francisco, are spending a few days here at Tahquitz Vista apartments. Visiting here with them are friends, Mrs. Sidney Kessler and daughter Jean, also of the northern city.

Commenting on the Village, and reminiscing of the old days here, Mrs. Layton recalled that it was 21 years ago this month that she and her husband purchased the Wonder Date Garden which date gardens were recently transformed by David Blumenfeld, purchaser of the grove from the Laytons, into the swank and exclusive Wonder Palms Hotel and Guest Ranch.

The Laytons and their friends will return to San Francisco at the end of this week.

Scouts on KCMJ

Brownies To Sing
Tomorrow Afternoon

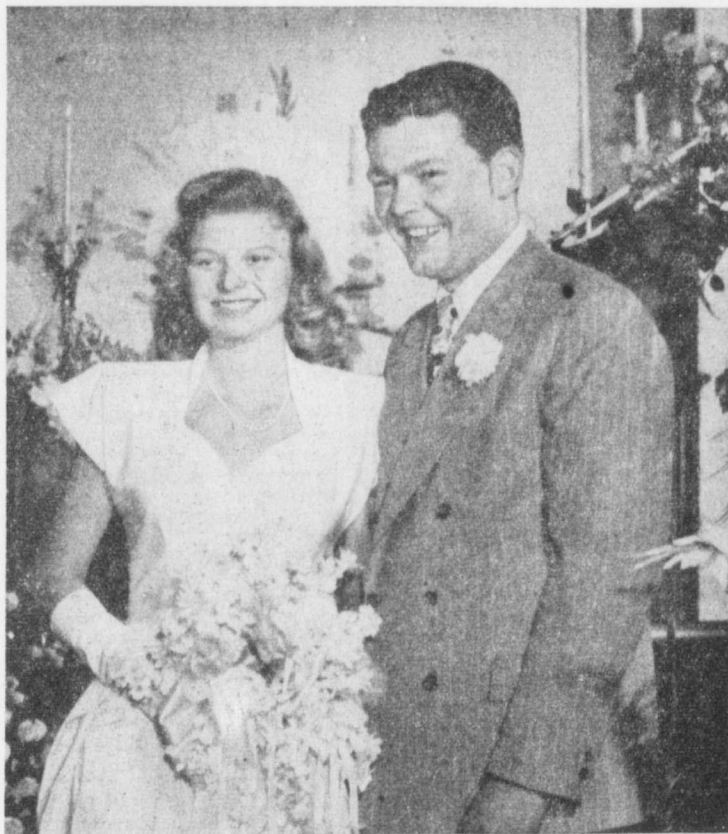

Troop One Brownies of the local Girl Scout council will stage a special broadcast tomorrow at 3:45 p.m. over KCMJ, singing a group of songs of the South African veldt.

They are in charge of Mrs. J. C. Sanders.

Some 4,600,000 postcards and stamped envelopes are sold by the U. S. post office annually.

Social ACTIVITIES

Popular Young Couple Plight Troth Sunday

Barbara Neel, daughter of Mr. and Mrs. C. C. Neel, long time Village residents, and Wendell Delano, son of Mr. and Mrs. Phil Delano, plighted their troth before scores of their friends in Community church Sunday afternoon with the Rev. James H. Blackstone Jr., reading the vows.

The bride was given in marriage by her father and made a striking picture as she came down the aisle to the altar which was banked with chrysanthemums and roses.

She was attired in white moire with sweetheart neck and cap sleeves and carried a bouquet of green orchids and tube roses. She was attended by her sister, Mrs. Doris Davis who came to Palm Springs from Georgia for the wedding. Mrs. Davis wore an aqua gown with matching accessories and carried a bouquet of yellow chrysanthemums and roses. The bridegroom was attended by his brother, Phil Delano Jr.

Ushers were Bob Dart, who also was heard in a solo, Bob Fern, Bob Jones and Maurice Smith.

Following the ceremony the popular young couple received the congratulations of their host of friends who thronged the church and the Neel home following the ceremony for the reception.

The newlyweds left for Arrowhead Springs and thence down the coast to San Diego on their honeymoon trip.

The bride, popularly known as Babs, was queen of the Desert Circus last spring. She and her husband are graduates of Palm Springs high school and leading members of the younger set here.

Moving pictures will be shown tonight at the Desert Den, formerly the Youth Center, on Belardo road, it was announced.

The first gasoline automobile in the United States was invented by C. E. Duryea in 1892.

after their respective restrictions by their doctors. . . . On their feet cheering for Stanford (the old Alma Mater) were John Seamans and Harry Reid at the Stanford U.S.C. game Saturday. . . . On his feet surveying his new subdivision was Bill Bannerman. . . . On our feet to Ken Colburn who sends his Missus flowers every time they go stepping. . . . We'll leave you, especially you husbands, with that thought.

Eastern Star Luncheon Club Opens Season With Dinner Event

Members of the Order of Eastern Star Luncheon Club convened for the first time of the 1947-48 season at the Desert Inn Friday with the meeting dedicated to the observance of Armistice Day.

Mrs. Fern White, president, presided with guests from far and wide in attendance.

Mrs. Margaret Illick led the group in singing accompanied by Mrs. Mabel Bryant, a Gold Star mother at the piano.

Mrs. Harold Lienau, in charge of the Armistice Day program for the luncheon meeting, introduced Mrs. Henry Menard, secretary of the American Legion Auxiliary who spoke on the memorial aspects of the day.

Other Armistice Day speakers were Mrs. Bob Ellworth, president

of the auxiliary and Mrs. Bael Bryant, chaplain.

The Owen Coffman Post of the American Legion was represented by its commander, John Connell and post-commander, Jerry Sanborn.

Mrs. White then presented Mrs. Harold Murphy as the "Mother President" of the luncheon club and Lloyd Simon, affectionately known by the members of the OES as "Pappy."

Memorial was read in honor of the late Sarah Barnum, former member who died last week.

All members were urged to attend the business meeting of the Eastern Star scheduled for Tuesday Nov. 18 at the home of Mrs. White, 137 Mesquite at 8 p.m. For further information regarding this meeting members are urged to telephone 6544.
